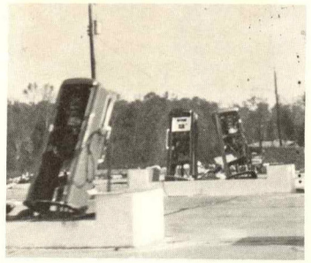
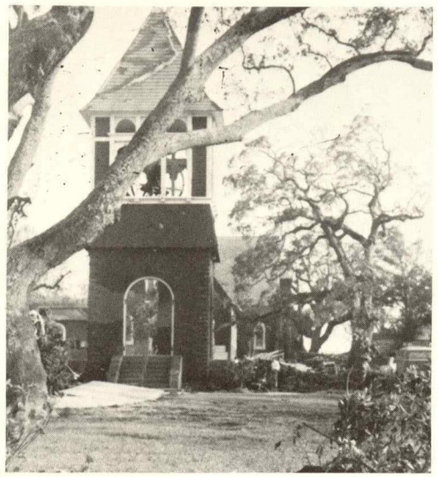
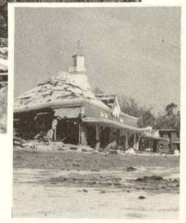
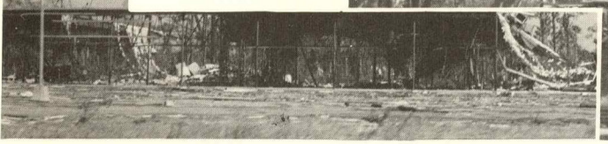
Camille









On the night of August 17, 1969, the Mississippi Gulf Coast was slammed with winds of 210 m.p.h. by Hurricane Camille.

It is estimated that the damage to the area is in excess of a billion dollars and more than 100 lives were lost.

While Jackson County suffered less than other counties, Pascagoula's Beach area suffered extensive damage.

The disaster precipitated the first visit to the coast in several years by the President of the United States.

President Nixon received a warm welcome as he arrived in Gulfport after a flight aboard Air Force One. He gave a pep talk to the battered coast. A few days earlier Vice President Agnew came to see the destruction suffered by the South.

The hurricane resulted in Governor John Bell Williams' appointing an Emergency Council, a hurricane code and other state-level actions for the coast.

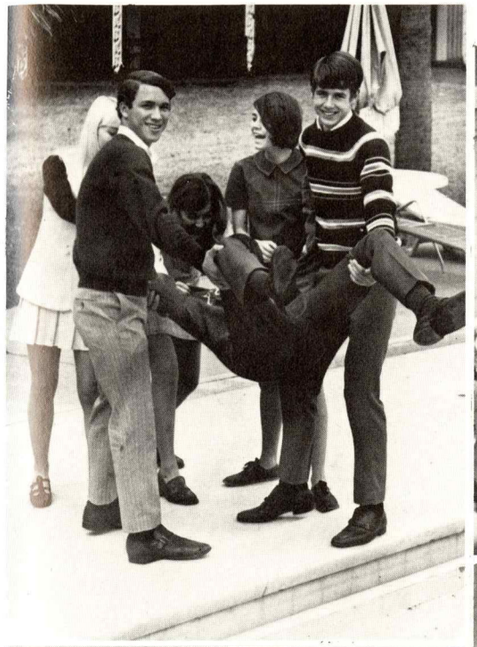
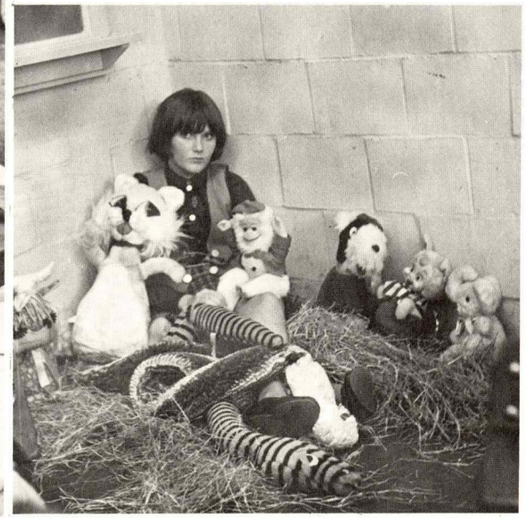
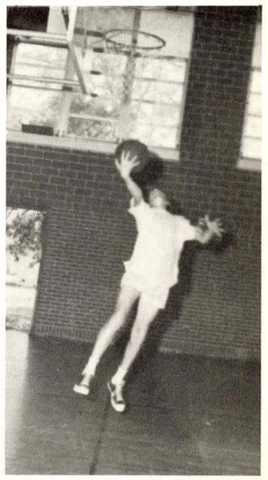
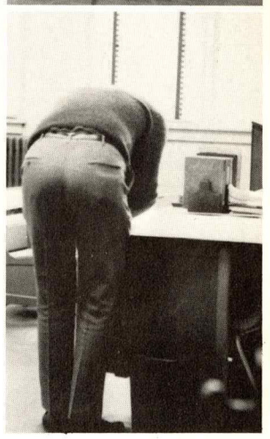
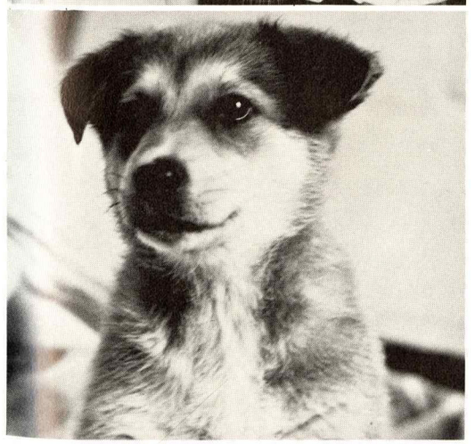
Who's Who???







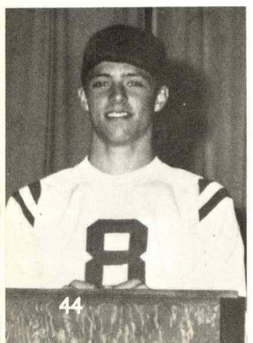




Mr. PJHS

Don Law

Homeroom Officer - three years, Football Captain - two years, Participated in Track, Basketball, and Football - three years. Don's list of activities speak well for him. There are some things, though, which such a list fails to show. During his year at junior high, many have come to think of Don as a part of the school because of his pleasing ways. He has been respectful to his teachers and his fellow students. His hard work in athletics and academics is just one way that he has shown pride in PJHS.



Miss PJHS

Toni Walker

Homeroom Officer - two years, Homecoming Court - two years, FHA -, Pep Squad, Cheerleader, Student Council. From the above list, it is easy to see that Toni is a popular student at PJHS. Popularity, however, is only one of Toni's assets. Throughout her junior high years, Toni has been cooperative with her teachers and classmates. She has proven to be more interested in PJHS than personal glory. Toni lives on life's bright side and shows it to everyone with a warm smile.

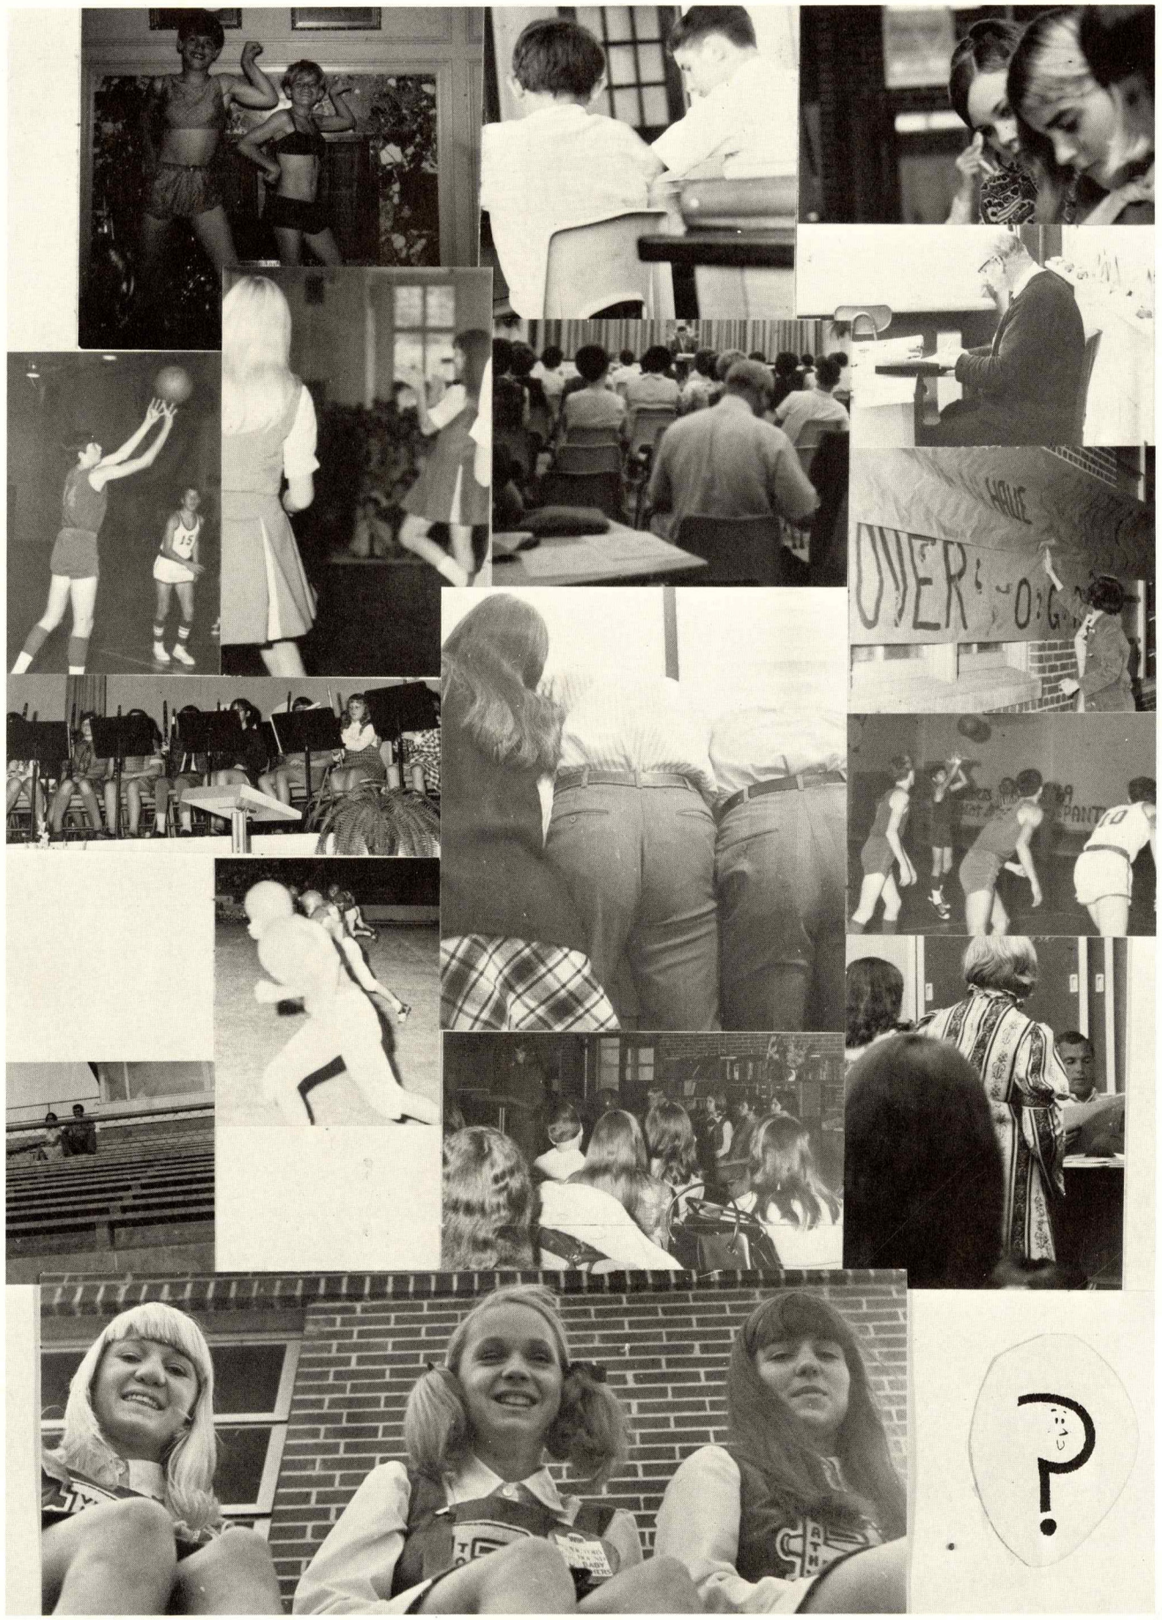
Guess Who



As you look through this book of memories we, the annual staff, hope it will bring the remembrances of loud pep rallies, crowded halls, teachers trying to teach, bells which never ring on time, lost textbooks, detentions, Pride Nite, Field Day, Christmas programs, teachers yell contest, track, basketball, football, semester exams, homework, reports, Who's Who, lunch and most of all, the remembrances of happy times and cherished friendships.

We would like to say thank you to the students of PJHS, for without you and your cooperation and activities there would be no annual. So students of PJHS, here is your book. Look at it often and remember those good ole days.
